If found please return to:
PO BOX: 461911
Charlotte, NC 28260
Telephone: (704) 717-8810
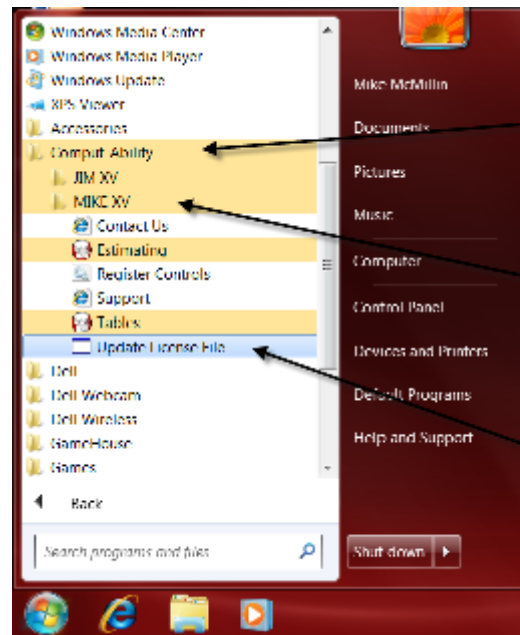

KEYLOK Fortress
USB Software
Protection Device

Step 1:
Click on the
Windows Start button

Step 2:
Click on
All Programs

Once Windows sees the device you will need to copy the eDeveloper License file from the KEYLOK Fortress onto your Hard Drive.

Complete Steps 1 through 5.

Step 3:
Locate and
Click on
Comput-Ability

Step 4:
Locate and
Click on
MIKE XV

Step 5:
Locate and
Click on
Update License File

The Follwing Screen will display as the License File is written.
